

Earth Worksheet

Now it is your turn to be creative. Choose one of these to do:

- Make up your own words to fit into the song ‘Earth’.

Start with ‘Plod, plod, plod, plod’

- Draw a picture of what is happening in the song
- Make up movement or actions to go with the song

Take this further at home.

On the next page you will find some ideas of things to do, but you can do whatever you like.

We’d love it if you could send us a picture, recording or video of your work. Everybody who sends in work will get a certificate. If you like, we will display your work on our website!

All the music, words and videos from the workshop, as well as instructions on how to send us your work are at:

<http://www.cambridgeyouthopera.com/workshop-earth/>

Earth Worksheet

Ideas of things to do at home:

- Make a longer poem or story starting plod, plod, plod
- Turn your drawing into a model (maybe using stuff from the recycling bin)
- Turn your drawing into a piece of sewing
- Record yourself singing Earth using the piano accompaniment track to accompany you
- Video yourself singing Earth using your actions
- Make a puppet who is plodding along to the music
- Here is another poem by Michael Rosen. Make up a melody (tune) to fit these words. See if you can make the tune fit the rhythm of the words, and maybe also the mood or the meaning of the words.

Rumba

Ya-Rumba

Rumba rumba rumba

If you really want to prove it

Listen to the music

If you really want to lose it

Listen to the music

If you really want to use it

Listen to the music

You really can't refuse it

Listen to the music
